- Despite my age I still like to play, especially fetch. It's my favourite!
- Exploring my backyard. I like to go slow and take my time.
- Calm and quiet spaces. I would enjoy spending my remaining years in a peaceful space.

AND NOW A FEW WORDS FROM ME...

Hi, I'm Frankie! I'm shy at first so please give me my space and let me come to you. My favourite place to sleep is cuddled up beside my foster mom on the couch under a blanket. I'm working on my crate training; foster mom says I'm doing great! I'm slow on a leash but foster mom has a backyard so I get all the exercise I need exploring the yard. I'm housetrained (although I had some accidents inside when getting used to my new space), but frequent visits outside have helped me learn where to go when nature calls. Are you looking for a sweet companion? I have lots of love to give!

I AM...

- Shy
- Cautious
- Curious
- Friendly
- Quiet
- Calm
- Affectionate
- Playful

Frankie

AND NOW A FEW WORDS FROM MY FOSTER FAMILY...

Frankie is a pleasure to foster. He's a very sweet old man who's loving and curious. He's playful for his age. We play fetch often, although for only a short amount of time. He was quite timid when he first arrived and snapped a few times when taking off his coat. Once he settled in, he approached me on his own and has been by my side ever since. He can manage a couple of stairs but not a flight. He will follow on a leash but goes at his own pace. He is quiet, calm and affectionate and will make a sweet addition to his new family.
