And now a few words from me:

Hi! My name is Cricket and I'm looking for a forever person(s) who will love me and take care of me. I enjoy cuddles and kisses from my chosen humans. I prefer not to be left alone and will whine and bark to express how I'm feeling, but I will quiet down eventually. I also like to watch tv and will bark at it when animals appear on the screen. The worst are the cats; I'm not a fan of cats, so it would be best if I didn't have any contact with them. I enjoy my foster brother; he is brave and gives me courage to do doggy things like playing and chasing little critters in the yard. It takes time for me to warm up to people, but once I do, you will see just how much love I have to give. We should spend some time together because I just know that you'll fall in love with me and my loveable ways... can't wait to meet you!

And now a few words from my foster family:

Cricket is one of the most lovable fosters ever... she's a tiny girl who want to please! When she gets used to her environment she loves to explore and wants to be a part of what's happening. When we try to set a new routine, she becomes a little nervous, but once she grasps it, she is fine. She has great recall and loves her daily walks. She would do well in a single-family home with a secure backyard to enjoy. She is great girl who will be a loving addition to any family, as she has unlimited kisses and snuggles to give. Her favorite spots are on your lap or in the sunshine.

Being fostered in Rockland, ON.
